- Provide culturally-competent assessments, psychotherapy, and case management to children and families, to include use of EBPs
- Collect and evaluate outcome data
- Participate in on-going training, supervision, and consultation (to include EBPs)
- Participate in case dispositions/team conferences, case consultations, quality assurance, quality improvement, and case review activities
- Collaborate with DCFS, School Districts, Probation, other Mental Health clinics, and Community-Based organizations
- Provide mental health resources, referrals, and linkages to other community agencies

DESIRABLE QUALIFICATIONS:

- Knowledge and experience delivering clinical services utilizing EBPs for children and families
- Ability to establish working relationships and provide consultation to community partners (e.g., Schools, DCFS, Probation)
- Excellent organizational, interpersonal, oral, and written communication skills
- Proficiency in computer skills and programs such as Microsoft Word, Excel, Access, & Outlook
- Ability and willingness to travel to neighboring schools to deliver MHS
- Excellent attendance, reliability, flexibility, and the ability to have evening hours
